Review 2025

The 2025 MK· KPGA Golf Expo, co-hosted by Mael Business Newspaper, MBN, and the Korea Professional Golfers' Association (KPGA), was Korea's largest professional golf industry exhibition. The event brought together 54 exhibitors and over 25,000 visitors, including KPGA professionals, industry leaders, and golf enthusiasts creating a vibrant golf festival in the heart of Seoul.

Covering the entire golf ecosystem from the latest clubs, fitting systems, IT technologies, and golf apparel to tours and leisure services- the Expo showcased the full scope of the golf industry.

Diverse programs such as pro lessons, demo sessions, influencer talk shows, and interactive on-site events enhanced both professional depth and public engagement. Leveraging the powerful media network of Mael Business, MBN, and KPGA, the Expo delivered exceptional brand exposure for exhibitors and established itself as a practical business-matching platform connecting brands, buyers, and professionals.

Building on this success, the 2026 edition will expand its role as a global platform connecting international golf brands with the fast-growing Korean and Asian markets.
